

- ZEETEX COMPRESSOR OIL is a premium quality oil designed for the lubrication of reciprocating compressors. It is blended from high quality paraffinic base oil and carefully engineered additive system that contains effective, anti-wear, anti-rust, anti-foam and anti-oxidant.
- ZEETEX COMPRESSOR OIL is recommended for single stage and multistage reciprocating compressor with discharge temperature up to 220 °C. It has excellent oxidation stability and effective anti-foam properties, along with superior demulsification ability to protect components from wear and rust.
